# Health Facilities Management's
# 1995 (Vol. 8) Subject Index

**ACCREDITATION**

AHA says that its 'crisis of confidence' in JCAHO is 'not a declaration of war' 2/95:5
JCAHO panel proposes new regional program to better meet rural providers' needs 3/95:6
JCAHO work group suggests limiting its focused surveys 3/95:6
Groups question JCAHO's value; look for options to accreditation 3/95:96
JCAHO and other accreditors work to end overlap and disruptions 5/95:93
JCAHO's challenge on cooperation draws mixed reviews from health care groups 5/95:96
Facilities to evaluate JCAHO reform efforts 8/95:5
JCAHO joins project to streamline surveys 9/95:7
Poll shows that JCAHO's customers are satisfied 12/95:6

**AIR QUALITY/SMOKING**

New AHA panel to review EPA's report on dioxin 1/95:7
Safe or Sorry? 1/95:20
The meaning of greening 4/95:42
Team cleaning and indoor air quality: where the twain meet 4/95:54
New portable filtration system reduces spread of tuberculosis 5/95:104
Environmental concerns tops in health care 8/95:8
Air Care/Indoor air quality: much ado about nothing? 8/95:18
Whatever happened to OSHA's indoor air quality regulations? 8/95:20
Some tips on how to deal with complex indoor air quality issues 8/95:21
Computer program monitors contaminant flow in large buildings 8/95:26

**AMBULATORY/SPECIALTY CARE**

Cooperative Care Center delivers on the promises of patient-centered care 1/95:18
Hospital officials shift gears when it comes to financing, building parking structure 2/95:18
Nearly half of all hospitals offered quality data in '93 3/95:13
ASHE President's letter: What's in a name? 3/95:27
Up-front planning helps ensure back-end success for multifacility project 3/95:30
New age public won't settle for old-fashioned facilities 3/95:32
Form follow function: a guide to improving strategic facilities planning 3/95:46
Fine lines 3/95:52
Researchers predict TB will be ongoing problem 4/95:6
WI system moves fast to build prototype outpatient center in a growing area 4/95:12
Swimming against the tide or sailing into the future? 4/95:14
Future schlock 4/95:24
How last year's earthquake shook up CA officials' thinking about ambulatory care 4/95 28
Location, location, location! 4/95:32
Option 1 the consultant approach 4/95:36
Option 2 the turnkey approach 4/95:36
Option 3 the developer/investor approach 4/95:37
Option 4 the hybrid approach 4/95:37
Staff training helps minimize fire's danger to life and property 4/95:60
Critical care unit uses nature to foster a healing environment 5/95:22
Maryland bills target freestanding centers 6/95:7
The Comfort of Courtyards 6/95:40
Serenity in the healing place 6/95:42
Mergers update: Waterloo hospital joins Iowa system 7/95:8
Sutter Health's new 'medical malls' target young and healthy outpatients 7/95:11
Renovation may herald the ambulatory hospital of the future 7/95:16
Tread carefully when dealing with troubled employees 7/95:58
Cost cutting slows rise in outpatient surgeries 8/95:5
Partnerships are key to renovating the health care system 8/95:6
Community pitches in to create a kinder, gentler emergency department 8/95:16
Chicago airport to open medical center 9/95:6
Team players 9/95:16
Capital decisions—what is your boss thinking? 9/95:62
Taking it to the streets: renovation creates a new community health center 10/95:16
Fit to be cared for 10/95:54
Outpatient surgeries take a jump in AZ 11/95:12
New design brings rays of light—and hope—to cancer patients 11/95:16
Beyond aesthetics 11/95:55

**AMERICAN HOSPITAL ASSOCIATION**

AHA says that its 'crisis of confidence' in JCAHO is 'not a declaration of war' 2/95:5
What the AHA wants from the JCAHO 2/95:5
New AHA institute helps minorities to climb health care management's career ladder 2/95:89
Nearly half of all hospitals offered quality data in '93 3/95:13
AHA: 'Hospitals' concerns are not addressed in EPA's proposed incinerator rules' 5/95:6
AHA responds to proposals on medical waste incineration 7/95:52
Clearing the air on EPA study of MWI dioxin emissions 8/95:78
AHA to offer members more customized service 9/95:6
JCAHO joins project to streamline surveys 9/95:7
Incinerator plan provokes complaints 10/95:11
AHA's member-services plan moves forward 11/95:10

**AMERICAN SOCIETY FOR HEALTHCARE ENGINEERING (ASHE)**

ASHE President's letter: coping with change 1/95:15
ASHE President's letter: Advocacy in action 2/95:15
ASHE 1995 Conference & Exhibition 2/95:43-62
ASHE changes its name to reflect broader duties 3/95:8
ASHE names Joseph J. Martori as its new executive director 3/95:9
ASHE President's letter: what's in a name? 3/95:27
MACS manuals offer regulatory assistance at bargain price 3/95:27
ASHE President's letter: Hi, tech 4/95:9
ASHE's annual conference to be held June 19-23 4/95:9
ASHE President's letter: On-line with ASHEnet 5/95:21
ASHE President's Letter: Respect Yourself! 6/95:11
ASHE President's Letter: Making the Workplace Safe 7/95:15
ASHE President's Letter: Your vote counts! 8/95:13
Facility managers take test drive on the new information highway 9/95:5
Anderson wins ASHE's most-prized award 9/95:8
ASHE President's Letter: Connecting with the JCAHO 9/95:11
ASHE, JCAHO team up to settle 15 controversial issues of care 9/95:72
Summary of ASHE's 15 issues 9/95:73
ASHE President's Letter: Meeting the new mission 10/95:15
ASHE President's Letter: Education for changing times 11/95:15
ASHE's national conference on medical technology management 11/95:30
Another ASHE first: space planning software 12/95:8
ASHE President's Letter: Looking back—and forward 12/95:10

**AMERICAN SOCIETY FOR HEALTHCARE ENVIRONMENTAL SERVICES (ASHES)**

ASHES update 1/95:42
ASHES update 3/95:100
ASHES update 4/95:56
ASHES 32nd Annual Conference and Technical Exhibition 5/95:51-81
ASHES rising over Phoenix—A decade of excellence 8/95:29-46
ES, textile care workers' contributions will be celebrated Sept. 17-23 9/95:5
ASHES update 9/95:74
ASHES update 10/95:74
ASHES President's Letter: Celebrating the first 10 years 12/95:12
ASHES recognizes members 12/95:12

**AMERICANS WITH DISABILITIES ACT (ADA)**

Friend or fraud? 1/95:34
The ADA: a recap of the landmark law and what it means 1/95:36
Need expert help with the ADA? Look no further than your institution's own staff 1/95:37
How occupational therapists can help with ADA compliance 1/95:37
The Comfort of Courtyards 6/95:40
Spare Space 7/95:42
Signage and the ADA: does your facility measure up? 8/95:68
Help injured workers get back on their feet quickly 9/95:82
Are your elevator phones ready for the ADA? 12/95:36
ADA and your elevators: some tips on cutting the cost of compliance 12/95:38
Sources to use for emergency elevator phones 12/95:40

**ASBESTOS**

OSHA's final rule on asbestos cuts permissible exposure in half 1/95:38
Floor care and asbestos: what to watch for 1/95:38
In sum: what OSHA's new asbestos rule really means to you and your institution 1/95:40
OSHA updates free catalog of safety, training materials 3/95:18

**BIOMEDICAL EQUIPMENT/TECHNOLOGY**

HEPA respirators soon to be one of many options 1/95:7
What price progress? 2/95:20

16. This Statement of Ownership will be printed in the December 1995 issue of this publication. ☐ Check box if not required to publish.

17. Signature and Title of Editor, Publisher, Business Manager, or Owner — Date

(John P. Sheehy, President)

I certify that all information furnished on this form is true and complete. I understand that anyone who furnishes false or misleading information on this form or who omits material or information requested on the form may be subject to criminal sanctions *(including fines and imprisonment)* and/or civil sanctions *(including multiple damages and civil penalties).*

**Instructions to Publishers**

1. Complete and file one copy of this form with your postmaster on or before October 1, annually. Keep a copy of the completed form for your records.
2. Include in items 10 and 11, in cases where the stockholder or security holder is a trustee, the name of the person or corporation for whom the trustee is acting. Also include the names and addresses of individuals who are stockholders who own or hold 1 percent or more of the total amount of bonds, mortgages, or other securities of the publishing corporation. In item 11, if none, check box. Use blank sheets if more space is required.
3. Be sure to furnish all information called for in item 15, regarding circulation. Free circulation must be shown in items 15d, e, and f.
4. If the publication had second-class authorization as a general or requester publication, this Statement of Ownership, Management, and Circulation must be published; it must be printed in any issue in October or the first printed issue after October, if the publication is not published during October.
5. In item 16, indicate date of the issue in which this Statement of Ownership will be printed.
6. Item 17 must be signed.

*Failure to file or publish a statement of ownership may lead to suspension of second-class authorization.*
